

Day Labor Permit Request

For and in consideration of the forbearance of business license requirements placed on commercial builders, the undersigned hereby applies for special considerations as a property owner desiring to build his/her own residence. In making this request for a "day labor" permit, the undersigned certifies the following to be true.

- a. Applicant intends to reside in completed structure and does not plan to offer same for sale.
- b. Applicant will function as the general contractor, and accept inherent responsibilities for the work authorized by the approved master permit. Applicant agrees to hire properly licensed contractors for any work that is further sub-contracted. All electrical, plumbing, heating and air conditioning work will be separately permitted.
- c. Property described in permit application, and on which property is to be built, is currently owned by the undersigned.
- d. Applicant agrees to build in accordance with the Cobb County Building Code and strictly adhere to the inspection schedule established to insure compliance. Undersigned understands that inspections must be done in an established sequence and that work done in violation of the Code must be corrected or may be ordered removed.
- e. Undersigned has not previously applied for a "day labor" permit (only one permit authorized per family unit.).

Applicant further deposes he is aware that Section 105.5 of the County Building Code states in part that a permit issued under the provisions of this Code may be revoked for any false statements or misrepresentation as to the material fact in the application on which the permit was based.

Applicant further deposes he is aware that any knowingly false statement made in the permit application will subject said applicant to prosecution for violation of Georgia Criminal Code, Section 16-10-71 (False Swearing) and a possible fine of not more than \$1,000 or imprisonment for not less than one (1) nor more than five (5) years, or both.
